

City of Lansing Public Safety Youth Leadership Academy

June 13-17, 2016

The LPSYLA is a partnership between the Lansing Police, Fire, and Parks & Recreation departments along with involvement of the Lansing School District that provides teens, ages 13-16 with a constructive and holistic learning experience designed to develop participant's understanding and appreciation for public service through promotion of topics interconnected with police and fire careers.

Admittance is FREE and space is limited. Participants will spend (5) days with police and fire professionals at multiple enrichment sites. The LPS YLA promotes honor of service and forms a foundation of responsibility, respect and trust, benefiting youth participants, the police and fire instructors, and the community. Participants will be provided with uniform clothing at no cost. Prior to graduation participants will perform service learning projects in their hometown such as inspirational story time to younger youth. The program concludes with a recognition ceremony for participants held on day 5.

The focus areas of development are:

- Performance in life
- Preserving personal integrity
- Nurturing a broad sense of accountability and community awareness
- Innovation through critical thinking and use of technology
- Promotion of physical fitness & healthy lifestyle choices
